

THE CONVERSATIONS YOU CAN'T PUT ON AN AGENDA.

Some of the best things you'll hear at Digital Dealer won't come from a microphone. They'll happen when someone says:

"We're dealing with exactly the same thing."

In the hallway between sessions. Over lunch. On the expo floor.

At the **Women in Dealerships Power Session**, where industry leaders will share the real stories behind the challenges they've faced, followed by a chance to connect with the Women in Dealerships community.

And when the conference day ends, those conversations keep going at the **Digital Dealer Bar Crawl**.

Women IN DEALERSHIPS POWER SESSION

Real stories. Real challenges.
Real connections that last.

DIGITAL DEALER BAR CRAWL

When the conference day ends,
the conversations keep going.

MEET
