CONFERENCE & EXPO

SEPTEMBER 22-23, 2026 | Huntington Place | Detroit, MI

IN PARTNERSHIP WITH

WHAT'S WORTH LEAVING THE DEALERSHIP FOR?

Bring the problems you're trying to solve.
Take something useful back.

Leaving the dealership for a conference has to be worth it.
So let's skip the theory.

TRYING TO WORK OUT
WHERE **AI** ACTUALLY
BELONGS IN YOUR BUSINESS?

WONDERING HOW **GENERATIVE
SEARCH** IS CHANGING
WHETHER CUSTOMERS FIND
AND CHOOSE YOUR
DEALERSHIP?

SITTING ON A MOUNTAIN OF
CUSTOMER DATA BUT STILL
STRUGGLING TO TURN IT INTO
ACTION?

QUESTIONING WHETHER YOUR
BDC MODEL IS REALLY
DELIVERING WHAT IT SHOULD?

Those are the conversations happening at **Digital Dealer Conference & Expo 2026**. Not broad predictions about the future. Practical discussions about what dealers are facing now and what they're doing about it.

That's exactly why we
partnered with **Car Dealership
Guy** to help shape this year's
content and speakers.

Come with the problems you're trying to solve. Listen to how other
dealers are tackling them.

- Ask questions.
- Challenge the thinking.
- And take something useful back to your dealership.

That's worth a drive to Detroit.
