What do our Healthcare customer say?

BlackPoint IT provides our IT/IS managed services, including telephone support. In order to increase our service and support staff capacity, we needed to review our current call volumes. Contacted BlackPoint Help Desk and promptly received assistance.

Craig Chance

Managing Authority of Thurston County, Executive Director

BlackPoint IT was very helpful, polite, and was committed to resolving my issue in a timely manner. Thank you!!

Matt Reyes

Beresford Company Inc, Purchasing

Blackpoint is probably the best IT company I have dealt with in over 30 years of business. They took the time to understand our companies needs and offer the right solutions. Their staff is extremely knowledgeable and great to work with. They helped me to create a network that is fast and easy to manage.
