Hear it from our Customers

BlackPoint IT provides our IT/IS managed services, including telephone support. In considering staff capacity, we needed to review incoming and out-going call volumes. Contacted BlackPoint Help Desk and promptly received assistance.

Craig Chance

Housing Authority of Thurston County, Executive Director

BlackPoint IT was very helpful, polite, and was committed to resolving my issue in a timely manner. Thank you!!

Matt Reyes

Beresford Company Inc, Purchasing

Blackpoint is probably the best IT company I've dealt with in over 30 years of business. They took the time to understand our companies needs and offer the right solutions. Their staff is knowledgeable and great to work with. They helped me to create a network that is easy to manage.
