

# Digital Dealer

## CONFERENCE & EXPO

Conference & Expo: September 22–23, 2026  
Huntington Place | Detroit, Michigan

### Drive More Sales. Increase Profit. Stay Ahead.

The automotive industry is changing fast. New technologies, AI, evolving consumer expectations, and increasing competition demand smarter strategies.

Digital Dealer Conference & Expo brings together dealership executives, sales leaders, marketing professionals, fixed operations teams, BDC managers, and technology providers for three days of practical education, networking, and hands-on product demonstrations designed to help dealerships grow.

Register today and discover what's driving the industry's top-performing dealerships.

Get Your Digital Dealer Pass

### Solve the Problems That Cost You Sales

Today's buyers expect fast responses, personalized communication, and a frictionless buying experience. Digital Dealer helps your team deliver all three.

You'll learn how to:

- Increase lead-to-appointment conversion
- Improve follow-up and response times
- Reduce unworked and aged leads
- Optimize CRM workflows
- Create stronger online-to-showroom handoffs
- Improve BDC and sales team accountability
- Use AI and automation without losing the personal touch
- Build digital retail processes that help customers buy faster
